ABOUT APEX

Apex Machinery Supply, Inc. has been providing high quality machine tool supplies for over 20 years with a focus on EDM, Hard Milling, and High Speed Machining (HSM). Utilizing these technologies, users are cutting hardened materials in greatly reduced times and eliminating grinding and polishing processes.

We have been servicing leading manufacturers of plastic, silicone, and die cast molds for die makers and machine shops creating medical, semiconductor, and aerospace products. Apex’s customers are some of the best in the world in their respective trades creating products with incredibly tight tolerances.

Apex has adapted its inventory stock to meet customers’ immediate needs and to aid in a timely delivery of consumables. Customers have grown accustomed to relying upon Apex as a source of premium machine tool supplies. Apex’s knowledge of the latest machining technologies ensures that users are at the forefront of their fields.

— The Apex Staff

OUR VALUES

Commitment

We are dedicated to fulfilling the needs of our customers in an efficient and effective manner.

Integrity

We value our customers’ performance immensely. We achieve this by building relationships founded on trust and reliability.

Quality

We have a strong passion to deliver products that are high in quality and performance. We stay aware and informed of the latest technology in pursuit of supplying cutting-edge products.

OUR MISSION

Apex Machinery Supply, Inc. strives to provide the highest quality products, service, and recommendations that enable companies to achieve a competitive advantage within the industry.
